The Residence Directory of Cape Town will no longer form part of this volume, but, acting upon suggestions from many quarters, will be published in a separate form. On the other hand, all the most important reference matter of the 1868 Directory (including the Census Tables, and the Index of Statutes and Acts of Parliament corrected to the Session of 1868) will be reprinted. The Miscellaneous Information will be enlarged by the introduction of useful Interest and other Tables. The Business Information respecting Port Elizabeth, Graham's Town, and the Country Districts will be amplified and improved by corrections and suggestions from the most competent resident authorities. The general usefulness of the Book will be added to further by the introduction of several new features, among which will be included a complete alphabetical list of the Civil Servants throughout the Colony.

THE DIRECTORY OF CAPE TOWN will consist of a carefully compiled list of the Inhabitants within the Municipality, arranged both Alphabetically and in Streets, preceded by an Almanac, Astronomical Information, and Gardener's Calendar for 1869.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer. _____

Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.;—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place, and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receive the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of_____," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Polling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

TENDERS FOR THE CONVEYANCE OF MAILS.

General Post Office, Cape Town,
2nd January, 1869.

NOTICE is hereby given that Sealed Tenders addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 9th February, 1869, at 12 noon, for the conveyance of the following Mails:—

Between Meiringe Poort and Prince Albert, in 8 hours, by cart, once a week each way.

The Contract is to commence from the 16th March, 1869, and to end on the 31st December, 1872; but either of the contracting parties will be at liberty to terminate the same upon giving four months' notice, in writing, to this effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all Intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems*. The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers or Parcels in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded, *provided that part of the Box or Well of the Cart necessary to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d
For every period not exceeding half an hour	0	2	6
" half an hour, and not exceeding one hour	0	7	6
" one hour, and not exceeding an hour and a half	0	15	0
" one hour and a half, and not exceeding two hours	1	5	0
" two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time hereto stipulated, the Postmaster-General for the time being, in that case to have in his power, should he so think fit, to advertise for Tenders for a new Contract, without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious inconvenience will be sustained by the travelling Public and the Mails, the Contractor or his Servants employed in driving the Mail Vehicles and managing the Mails, the Contractor shall receive any Mail Bags, Post Office Packets or any Post Office Parcels from such Bags and Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it

he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receive the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Polling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

11th January, 1869.

...rmand of His Excellency the Governor

R. SOUTHEY,
Colonial Secretary.

Bloemfontein, 30th December, 1868.

His Excellency the Governor of the Cape of Good Hope.

SIR,—I have the honour to acknowledge the receipt of your Excellency's letters of the 16th and 17th instant.

Although our Government has not yet received in writing the views of Her Majesty's Government in reference to the mission of our delegates, which our deputation was led to expect shortly after their interview with His Grace the Duke of Buckingham and Chandos, on the 18th of August last, and which the Under-Secretaries of State, Sir George Barrow and Mr Elliot, in the absence of the Secretary of State for the Colonies, promised our Acting Consul-General on the 16th October last, that our deputation should receive before leaving England, still I am happy to say that our delegates have furnished me with a report of the discussion that took place on the 18th August last.

I think I have in my former letters shown that if the Basutos had not been encouraged in their resistance by the hope of getting assistance, we should have had a firm and lasting peace long before the Basotus were accepted as British subjects. It was only in your Excellency's letter of the 13th January last that our Government was first informed that such a step was contemplated.

Trusting that our protest will have the desired effect, I shall not at present enter into any further discussion on the stoppage of our supply of ammunition; but I shall content myself with saying that I do not exactly understand what is meant by "under circumstances of hostility." Does it mean that if we are unhappily obliged to take up arms against natives who commit outrages and thefts, our supply of ammunition is to be stopped? Not being acquainted with the point in dispute between Her Majesty's Government and the S. A. Republic, I am not in a position to see what bearing the Convention made with the S. A. Republic has on our Convention.

With reference to the proclamation of the 13th March, and your Excellency's letter dated Colesberg, the 27th March, I think it will not be amiss to give the substance of the report of our deputation on those points. "The deputation asked whether, in the opinion of Her Majesty's Government, the equitable rights of the Orange Free State had been recognized, as His Excellency the Governor evidently had proclaimed the whole of Basutoland and all the Basuto tribes. That such evidently was the intention of the proclamation was apparent from His Excellency's letter, dated Colesberg, the 27th March, in which the line of 1858 and 1864 is proposed, and the conquered territory is disposed of as belonging to Great Britain. The further correspondence of His Excellency shows that the treaty by which that territory became Free State property is ignored." The answer was: "The proclamation can only mean Basutoland and the tribes, as they then existed, in the light of equitable rights. His Excellency's letter only contained a basis of negotiation. You were not obliged to accept it. You are a free State, and ought simply to have answered: 'The terms proposed are inadmissible.'" "When the deputation pointed out to the Duke that the letter did not merely contain a proposition, but expressed the line of conduct which His Excellency intended, witness the later correspondence and more particularly the letter dated Koro-Koro, 14th April, 1863, respecting a provisional line, by which nearly the whole of the conquered territory was taken away," the Duke answered: "I am prepared to write to His Excellency that the whole of the correspondence since the proclamation must be considered as withdrawn. You can then negotiate on the basis of the proclamation as it has just now been explained by us. Whatever you can prove to be yours will be respected as such. Should it be necessary to have alterations or modifications in the line by which your rights are affected, the question of compensation will arise."

Our Government cannot agree that the treaty has been set aside because we were compelled by the breach of faith and the thefts and acts of violence of the Basutos to draw the sword for the purpose of clearing the ceded and conquered territory, in terms of Article 5 of the Treaty of Thaba Bosigo, which was signed by the Chief Moshesh, his sons and councillors, copy of which was forwarded to your Excellency in my letter of the 1st May, 1866, and the original of which can be produced at any time. Besides, before the proclamation, the territory ceded by the Treaty of Thaba Bosigo had been cleared by the sword. We maintain that we are entitled, both by cession and by the right of conquest, to the line fixed by Art. 1 of the Treaty of Thaba Bosigo.

In the expectation that by that time we shall have received the written answer promised by the Under Secretaries of State for the Colonies, and have obtained redress against the breach of the Convention of the 23rd February, 1854, I have convened the Volksraad to meet on the 13th of next month, when I shall have much pleasure in laying the report of our deputation and your Excellency's letter of the 16th instant before the Council.

I shall avail myself of the very earliest opportunity to inform your Excellency of the result.

In addition to what I have stated in my letter of the 4th instant, I regret to inform your Excellency that a report has reached me that the Basutos intend to steal as much as they possibly can from our people before your Excellency's arrival in Basutoland, and are making preparations for that purpose.

I shall be glad if you will have the goodness to inform me whether it is the intention of Her Majesty's Government to continue to refuse to our Government permits for the purchase of ammunition in the Cape Colony and Natal.

I have the honour to be, &c.,

J. H. BRAND.

Government House, Cape Town,
January 7, 1869.

His Honour the President of the Orange Free State.

SIR,—I have had the honour to receive your letter of the 30th ultimo, from which I learn with much satisfaction that you propose to bring under the consideration of the Volksraad on the 13th instant my letter of the 16th ultimo. And as I cannot but fear you will be disappointed in your expectation of receiving from Her Majesty's Government a written communication of their decision on the protest of the Free State and the representations of your delegates, I am anxious to guard against any misapprehension on the part of the Volksraad or of yourself, of the view which I take of the past correspondence and our present position; as well as any doubt of my being prepared to act up to the spirit of the Duke of Buckingham's replies to your deputation as now quoted in your letter.

I have to state, therefore:

First,—That my proclamation of the 13th March last was not intended to claim all that the Basutos had possessed up to 1864. No boundaries were mentioned in it, for the very reason that I knew that the boundaries of 1864 could not be claimed, and that others must be agreed upon.

Second,—That my letter from Colesberg was not intended to claim the boundaries of 1864 as of right. I offered what I thought would lead to the future good government of the country, and meet the existing wants of the Free State. The proposal was rejected and ceased to exist.

Third,—That the provisional line described in my letter of the 14th April last was that which I thought would secure peace pending the reference to England. That proposal was also rejected, and has also ceased to exist.

Fourth,—That in the words of the Duke of Buckingham, as quoted by you, I am ready to consider the whole of the correspondence since the proclamation as withdrawn, and to negotiate on the basis of the proclamation, on the understanding that it does not point to any particular boundary.

I regret having to state that until by a distinct settlement of the boundary we can be placed in a position to put a stop to the lawless and demoralizing conduct of the borderers on both sides, it will not be consistent with my duty to permit the passage of arms and ammunition to the Free State.

I have &c.,

P. E. WODEHOUSE.

GOUVERNEMENTS BERIGT No. 4, 1869.

Koloniale Secretarie, Kaap de Goede Hoop,

7 Januarij, 1869.

ZIJNE Excellentie de Gouverneur heeft de publicatie gelast van de volgende voorschriften ten dienste van Veldkornetsen en andere Beambten belast met het Opnemen der Stemmen bij de naderende Verkiezingen voor Leden van den Wetgevenden Raad:

1. Ieder Beambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne woorden of houding, reden geven, waardoor het tegendeel vermoed of hem ten laste gelegd kan worden.

2. Ieder Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3. Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in één Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnemenden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 41ste Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen

6. Aan iedereen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze;—

Geteekend op verzoek van

JAMES THOMSON,

JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het invullen van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8. Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan één Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in persoon; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om naar verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gedogen dat een Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iederen anderen Kandidaat te ontvangen.

15. De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeloopen is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Kolonialen Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Votes for the Division of ————————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wien zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefjes dat hetzelve bevat.

19. *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Kolonialen Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,

R. SOUTHEY,

Koloniale Secretaris.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	———
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place, and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

Digitized by Google

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receive the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such poling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

By order of the Town Council,

JNO. A. ROOS, Secretary.

Town house, 13th January, 1869.

REPORT.

THE Directors, in bringing up their Annual Report, have to inform the Shareholders that owing to the very restricted demand for Banking accommodation, and a pressure of Deposits on Interest even at the low rate of three per cent. per annum, which they have been unwilling to refuse from old and valuable Customers and Shareholders of the Bank, as also from the partial reduction in the rate of Discount, the operations of the past year have resulted in a smaller amount of Profit than the previous one.

The Directors, acting upon the Resolution of Shareholders of the 24th April last, have bought in, for the benefit of the Bank, 929 Shares (out of the 3,000 authorized), at rates ranging from £4 13s. 6d. to £5 per Share, thereby reducing the Capital Stock of the Bank to £70,355, and yielding a Profit of £206 17s. 6d. (now forming the nucleus of a Fund for Rebate of Interest), besides the Dividend which would have been payable on those redeemed Shares.

From the Profit and Loss Account now submitted, it will be seen that

the net Profits realized during the past year amount to	£4,002	11 0
to which has to be added the Balance of that Account for 1867, being	477	8 11
making in all for distribution	£4,479	19 11
Out of this sum, it is proposed to pay a Dividend to the Shareholders of six per cent. upon the Capital Stock of the Bank, or six shillings per Share, amounting to	£4,221	6 0
and the customary allowance of	200	0 0
to the Directors, for their services during the past year.		
There will then remain a Balance of	58	13 11
at the credit of Profit and Loss for future contingencies.		
	£4,479	19 11

Messrs. D. G. DE JONGH and JOHN STEIN retire from the Direction by rotation, and being the only Shareholders nominated for filling their vacancies, offer themselves for re-election.

KAAPSTAD, DEN 15DEN JANUARIJ, 1869

GOUVERNEMENTS BERIGT No. 13, 1869

Koloniale Secretarie, Kaap de Goede Hoop,
11 Januarij, 1869.

ZIJNE Excellentie de Gouverneur heeft de bekendmaking gelast van de volgende Correspondentie met den President van den Oranje Vrijstaat, in voortzetting van de Correspondentie gepubliceerd op den 18den ultimo.

Ter Ordonnantie van Z. E. den Gouverneur,

R. SOUTHEY,
Koloniale Secretaris.

Bloemfontein, 30 December, 1868.

Aan Zijne Excellentie den Gouverneur van de Kaap de Goede de Hoop.

Mijn heer,—Ik heb de eer de ontvangst te erkennen Uwer Exc'e. brieven van den 16 en 17 dezer.

Hoewel onze Regering nog niet in geschrifte de gedachten heeft vernomen van Harer Majesteits Regering in betrekking tot de zending onzer afgevaardigden, welke onzer deputatie te spoed waren, kort na haar onderhoud met den Hertog van Buckingham en Chandos op den 18den Augustus laatstleden, en welke de Onder Secretarissen van Staat, Sir George Barrow en de Heer Elliott, bij de afwezigheid van den Minister, op den 16den October ll. onzen Agerenden Consul Generaal hielden verstaan, haar te zullen laten toekomen vóór het vertrek uit Engeland, is het mij nogthans aangenaam te zeggen, dat ons afgevaardigden mij hebben voorzien van een verslag der discussie, welke op den 18den Augustus ll. werd gevoerd.

Ik geloof dat ik in mijne vorige brieven heb aangetoond, dat indien de Basutos in hunnen tegenstand niet waren aangemoedigd door de hoop van hulp te zullen krijgen, wij een zekeren en blijvenden vrede zoude hebben verkregen lang voordat de Basutos als Britsche onderdanen werden aangenomen. Eerst in uwen brief van den 13den Januarij ll. kreeg onze Regering kennis, dat zulk een stap op handen was.

Verrouwende, dat ons protest de gewenschte uitwerking zal hebben, zal ik thans niet treden in eene verdere bespreking der staking van onzen amunitie-toevoer, doch ik zal mij te vreden stellen met te zeggen, dat ik niet precies versta, wat bedeeld wordt met "onder omstandigheden van vijandelijkheid." Betekent dit, dat indien wij ongelukkiglijk genoodzaakt worden, de wapens op te nemen tegen inboorlingen, die gewelddadigheden en diefstal plegen, onze toevoer van ammunitie moet worden gestaakt? Niet bekend zijnde met het standpunt tusschen Harer Majesteits Regering en de Z. A. Republiek, die ik niet in, in welke verhouding de Corrrestie met de Z. A. Republiek tot onze Convent staat.

In betrekking tot de Proklamatie van den 13den Maart en den brief Uwer Exc., dd. Colesberg, 27 Maart, denk ik, dat het niet noodzakelijk zal zijn, dat ik hud van het rapport onzer deputatie omtrent die punten moge te deelen. De deputatie vroeg, of, waar het gevoelen van Harer Majesteits Regering, de billijke regten van den Oranje Vrijstaat waren erkend, terwijl Zijne Excellentie de Gouverneur kaar blijvelijk gehoor basutoland en al de Basutostammen had geproclameerd? Dat dit het doel der Proclamatie was, bleek uit Zijne Exc'a. brief de. Colesberg, 27 Maart, waarin de grenslijn van 1858 en 1864 werd voorgesteld, en over het aangeschte groondgebied wordt beschikt als behoorende aan onze Britanje. De verdere correspondentie van Z Exc. toont aan, dat het Traktaat, waardoor dat gebied Vrijstaats eigendom werd wordt gelgnoreerd." Het antwoord was: 'De Proclamatie kan slechts bedoelen Basutoland en de stammen, zoals die toen bestonden in het licht van bil ijke regten. Zhe'r. brief hield slechts een basis van onderhandelingen in. Gij waart niet verpligt die aan te nemen. Gij zijt een vrije staat en behooruet enkel geantwoord te hebben: 'De gestelde voorwaarden zijn onaannemelijk.' Toen de deputatie den Hertog beduidde, dat de brief niet alleen een voor tel inhield, doch tevens de gedragslijn aanwees, die Zijne van voornemen was te volgen, blijkens de laatste correspondentie en vooral den brief d. d. Kotokoro, 10 April, 1868, betrekkelijk eene provisionele grenslijn, waarvan de gehele veroverde land afdreek werd ontvreemd, antwoorde de Hertog: 'Ik ben bereid, aan ZExc. te schrijve, dat de gehele correspondentie moet worden beschouwd als teruggetrokken. Gij kunt dan onderhandelen op de basis der Proclamatie, zoo als die pas door ons is uitgelegd. Alles, dat gij kunt bewijzen u toe te komen zal dienovereenkomstig worden in acht genomen. Mogt het noodig zijn veranderingen of wijzigingen te brengen in de lijn, aangewezen op uwe regten wordt i brenk gedaan, dan zal de onzijdige van schiedsregterlijke o tstaan.'

Onze Regering kan niet toestemmen, dat het traktaat is ter zijde gesteld, omdat wij door de te uweloosheid, diefstallen en gewelddadigheden der Basutos genoodzaakt werden het grondgebied te uitvoeren, volgens de bepalingen vervat in Artikel 2 van het traktaat van Thaba Bosigo, dat werd ondertekend door het Opperhoofd Moshesh, dienaangaande, waarvan u een afschrift werd gezonden op den 20sten Mei, 1866, en het Origineel waarvan eenig oogenblik aan worden geproduceerd. Buitendien was het grondgebied ook door het Traktaat van Thaba Bosigo werd afgestaan, reeds vóór de Proclamatie andermaal gezuiverd. Wij staande, dat wij, zoowel wegens afstand als door gevering, regt hebben op de grenslijn bepaald in Art. 1, van het Traktaat van Thaba Bosigo.

Wij hebben ontvangen, dat beloofd is door de Onderhandelaars van Staat voor de Kolonien, zo wel als verhaal der besluiten der Convention van den 23sten Februarij, '54. Een ik den Volksraad opgeroepen, om bijeen te komen den 15den der volgende maand, wanneer het mij aangenaam zij, het rapport onzer Deputatie en den brief Uwer Excellentie van den 16den dezer den Raad voor te leggen.

Het zal mij dan ten allen tijde vroegtig gelegenheid, om Uwe Excellentie om rent den uitslag in te lichten.

Het doet mij leed bij hetgeen ik reeds in mijn brief van den 4den dezer maande te moeten voegen, dat een gerucht mij heeft bereikt, dat de Basutos van voornemen zijn, zooveel als zij maar kunnen te stelen van onze ingezetenen voor uwe aankomst in Basutoland en dat zij daartoe voorbereidselen maken.

Het zal mij aangenaam zijn, indien gij de goedheid wildet hebben mij te berigten, of het het voorneme Harer Majesteits Regering is, voort te gaan met onze Regering verlof te weigeren voor den aankoop van krijgsbehoeften in de Kaapkolonie en Natal.

Ik heb de eer te zijn, enz.,

J. H. BRAND.

Gouvernementshuis, Kaapstad,
7 Januarij, 1869.

Aan Zijn Hoog-Edele den President van den Oranje Vrijstaat

MIJNHEER,—Ik heb de eer gehad uwen brief van 30sten ultimo te ontvangen, en vernam daaruit met groot genoegen, dat het uw voornemen is, mijn brief van 16 ultimo op 13 dezer aan de overweging van den Volksraad voor te leggen. En daar ik niet kan nalaten te vreezen, dat gij zult teleurgesteld worden in uwe verwachting, van eene geschrevene mededeeling van Harer Majesteits Regering te zullen ontvangen, omtrent hare beslissing op het protest van den Vrijstaat en de voorstellingen van uwe afgevaardigden, is het mijn verlangen, te waken tegen elke misvatting van de zijde van den Volksraad en van uzelven omtrent mijne opvatting van de gepasseerde correspondentie en onze tegenwoordige positie; zoowel als tegen elken twijfel aangaande mijne bereidwilligheid om te handelen in den geest van het antwoord des Hertogs van Buckingham aan uwe deputatie, als thans in uwen brief aangehaald.

Ik heb derhalve te verklaren:

Eerstens,—Dat mijne proklamatie van 13 Maart ll. niet ten doel had aanspraak te maken op alles wat de Basutos tot aan 1864 in bezit hadden. Er werden geene grensscheidingen in gemeld, om de eenvoudige reden, dat ik wist, dat de grenslijnen van 1864 niet konden gehandhaafd worden, en dat men omtrent andere moest overeenkomen.

Ten Tweede,—Dat mijn brief van Colesberg niet ten doel had, de grenslijn van 1864 als een regt te verderen. Ik bood desnijds aan, wat ik dacht dat leiden zou tot een toekomstig goed bestuur des lands, en dat aan de bestaande behoeften van den Vrijstaat zou te gemoet komen. Het voorstel werd afgewezen en hield op te bestaan.

Ten Derde,—Dat de voorloopige grenslijn, omschreven in mijn brief van 14 April, ll., die lijn was, welke ik dacht, dat den vrede zou verzekeren gedurende de verwijzing naar Engeland. Dat voorstel werd insgelijks afgewezen en hield op te bestaan.

Ten Vierde,—Dat ik, naar de woorden van den Hertog van Buchingham, als door u aangehaald, bereid ben, de geheele correspondentie met betrekking de proklamatie als ingetrokken te beschouwen, en te onderhandelen op den grondslag dier proklamatie, met die verstandhouding, dat zij niet wijst op eenige bijzondere grenslijn.

Het doet mij leed te moeten verklaren, dat het, voor dat wij door eene duidelijke regeling van de grenslijnen in staat zijn gesteld, om een einde te maken aan het wetteloose en demoraliseerend gedrag der grensbewoners aan beide zijden, niet bestaanbaar met mijn pligt zal zijn, den toevoer van wapenen en ammunitie naar den Vrijstaat te veroorloven.

Ik heb, enz,

P. E. WODEHOUSE.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	———
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

Digitized by Google

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receive the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes: it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

GOUVERNEMENTS BERIGT No. 4, 1869.

Koloniale Secretarie, Kaap de Goede Hoop,
7 Januarij, 1869.

ZIJNE Excellentie de Gouverneur heeft de publicatie gelast van de volgende voorschriften ten dienste van Veldkornets en andere Beambten belast met het Opnemen der Stemmen bij de naderende Verkiezingen voor Leden van den Wetgevenden Raad:

1. Ieder Beambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne woorden of houding, reden geven, waardoor het tegendeel vermoed of hem ten laste gelegd kan worden.

2. Ieder Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3. Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in eene Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnememden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 4de Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen.

6. Aan iederen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Geteekend op verzoek van

JAMES THOMSON,

JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering* van de voorschriften omtrent het invullen van het aantal stemmen door den *Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van* die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.

8. Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan éénen Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo vele der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld stembriefje met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in persoon; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om naar verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gedogen dat een Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iederen anderen Kandidaat te ontvangen.

15. De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. JAARLIJKSCH RAPPORT.

DE Direkteuren hebben, bij het overleggen van hun Jaarlijksch Rapport, aan de Aandeelhouders te berigten, dat ten gevolge van eene beperkte aanvraag van Bank Accommodatie, en een grooten toevoer van Deposita op Renten, zelfs tegen het lager cijfer van drie percent per jaar, welke zij ongaarne hebben willen weigeren aan oude en goede Begunstigers en Aandeelhouders van de Bank, alsmede ingevolge hoofde van de gedeeltelijke vermindering van het Disconto, de werkzaamheden van het afgeloopen jaar een kleiner bedrag van winst hebben opgeleverd dan het vorige jaar.

De Direkteuren, handelende volgens Besluit van de Aandeelhouders van den 24sten April ll., hebben ten voordeele van de Bank, 929 Aandeelen ingekocht (uit de 3,000 waarvoor autorisatie was gegeven), tegen prijzen, loopende van £4 13s. 6d. tot £5 per Aandeel, waardoor het Kapitaal van de Bank is verminderd tot £70,355, en eene Winst verkregen van £206 17s. 6d.) nu de kern uitmakende van een Fonds voor Rabat op Renten), behalve het Dividend dat had moeten betaald worden op die ingekochte Aandeelen.

Uit de Winst en Verlies Rekening, nu voorgelegd, zal men zien dat de netto Winsten, gedurende het afgeloopen jaar gemaakt, beloopen £4,002 11 0
waarbij gevoegd moet worden het Saldo van die Rekening voor 1867, zijnde 477 8 11

makende een Totaal ter distributie van £4,479 19 11

De Direktie stelt voor om uit deze som aan de Aandeelhouders een Dividend te betalen van zes percent op het Kapitaalfonds van de Bank, of zes shillings per Aandeel, bedragende £4,221 6 0
en de gewone Toelaag van 200 0 0
aan de Direkteuren voor hunne diensten gedurende het afgeloopen jaar.
Er zal dan een Saldo overblijven van 58 13 11
op het credit van Winst en Verlies voor aanstaande toevallige uitgaven.

£4,479 19 11

De Heeren D. G. DE JONGH en JOHN STEIN treden af uit de Direktie bij beurtwisseling, en daar zij de eenige Aandeelhouders zijn, die genomineerd zijn ter aanvulling der vakaturen, bieden zij zich aan voor herkiezing.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place, and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes: it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,

Colonial Secretary.

THE CONVEYANCE OF MAILS.

Central Post Office, Cape Town,
2nd January, 1869.

NOTICE is hereby given that Sealed Tenders addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 9th February next, at 12 noon, for the conveyance of the Mails between Aberdeen and Graaff-Reinet, and Graaff-Reinet and Prince Albert, in a Mail Cart once a week each way.

The Contract is to commence from the 16th March, 1869, and to end on the 31st December, 1872; but either of the undersigned parties will be at liberty to terminate the same upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which forms may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be found; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, by Warrant of the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be approved by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly enforced. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by employing some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in Licensed Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Padlocks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be locked on with good stout *riems*. The Carts to be provided with *two* good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers or Parcels in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded: *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour	0	2	6
" half an hour, and not exceeding one hour	0	7	6
" one hour, and not exceeding an hour and a half	0	15	0
" one hour and a half, and not exceeding two hours	1	5	0
" two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets at any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster General.

GOUVERNEMENTS BERIGT No. 4, 1869.

Koloniale Secretarie, Kaap de Goede Hoop,
7 Januarij, 1869.

ZIJNE Excellentie de Gouverneur heeft de publicatie gelast van de volgende voorschriften ten dienste van Veldkornets en andere Beambten belast met het Opnemen der Stemmen bij de naderende Verkiezingen voor Leden van den Wetgevenden Raad:

1. Ieder Beambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne woorden of houding, reden geven, waardoor het tegendeel vermoed of hem ten laste gelegd kan worden.

2. Ieder Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3 Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling voor verkiezing. Maar een Stemgeregtigde die in één Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten heeft van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handeliagen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne hanteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnememden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 42ste Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5 De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen

6. Aan iederen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

BEHALVE, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	**Stemmen.**
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de Kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; en indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Getekend op verzoek van

JAMES THOMSON,

JOHN SMITH, A. v. S.

Aan deze vorren voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het inschrijven van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8 Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer: hij mag al zijne stemmen geven aan éénen Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag self eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in 't geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in person; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procurat stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om na verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gedogen dat een Stemgeregtigde die zich reeds bij de tafel bevind door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hezelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrijven of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iemand anderen Kandidaat te ontvangen.

15 De wet verbiedt niet aan een Beambte van Stemopneming eene eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeloopen is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Koloniale Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Votes for the Division of ————————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wie zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefje dat hetzelve bevat.

19 *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Koloniale Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,

R. SOUTHEY,

Koloniale Secretaris.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in case where the same name occurs more than once upon the general List of Voters and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form, will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	**Votes.**
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place, and retain the paper. *The Polling Officer will be careful fully to carry the instructions as regards filling in, opposite the Candidates' names, number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

Digitized by Google

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

ZIJNE Excellentie de Gouverneur heeft de publicatie gelast van de volgende voorschriften ten dienste van Veldkornets en andere Beambten belast met het Opnemen der Stemmen bij de naderende Verkiezingen voor Leden van den Wetgevenden Raad:

1. Ieder Beambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne woorden of houding, reden geven, waardoor het tegendeel vermoed of hem ten laste gelegd kan worden.

2. Ieder Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3. Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in éene Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnememden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 12de Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen.

6. Aan iederen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven. } ——————

Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Geteekend op verzoek van
JAMES THOMSON,
JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het invullen van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8. Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan éener Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in persoon; hij kan [illegible] en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om naar verkiezing [illegible] te beschikken; maar de Stemopnemende Beambte zal niet [illegible] Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iederen anderen Kandidaat te ontvangen.

15. De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeteekend is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Kolonialen Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Votes for the Division of ——————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap, en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wien zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefjes dat hetzelve bevat.

19. *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Kolonialen Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,
R. SOUTHEY,
Koloniale Secretaris.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of th following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	**Votes.**
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place, and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

...an be allowed to bring with him a paper already filled up; ... filled up in the presence of the Polling Officer, and the ... his votes by word of mouth, upon the Officer demanding it; ... to the Officer anything in the shape of a Memorandum, from ... copy his votes; but he may refer to a Memorandum to refresh his ... giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send ...; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

No. 13, 1869.

GOVERNMENT NOTICE.—No. 26, 1869.

Colonial Office, Cape of Good Hope, 23rd January, 1869.

HIS Excellency the Governor has been pleased to direct the publication for general information of the following Dispatch and its Annexures, received from the Right Honourable the Secretary of State for the Colonies, upon the subject of the use of Carbolic Acid in the Treatment of Fever.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

CIRCULAR.—CAPE OF GOOD HOPE]

Downing-street, 30th November, 1868.

SIR,—I have the honour to transmit to you a copy of a letter from Colonel Henderson, Surveyor-General of Prisons, enclosing an interesting Report from the Resident Medical Officer at Milbank Prison, on the use and effects of carbolic acid, together with a copy of instructions for arresting the spread of fever by means of that medicine.

The use of carbolic acid during a recent alarming outbreak of fever in this country, appeared from Dr. Glover's report to have been attended with such good results that a large supply was forwarded to Mauritius, a Colony in which an alarming epidemic had unhappily for some time been raging. The experiments made in that Colony with carbolic acid, both as a disinfectant, and in the direct treatment of the epidemic, have been very successful, as you will perceive from the enclosed extract of a dispatch from Sir H. Barkly, dated the 16th September, and the accompanying reports from the Acting Sanitary Inspector in Mauritius.

It appears very desirable that such information should be widely circulated, and I have therefore to request you to forward copies of this despatch and its enclosures to the principal Medical Officers under your Government, and to make known the information contained in it in other quarters where it is likely to be useful.

have, &c.,

BUCKINGHAM & CHANDOS.

Colonel Henderson to Sir F. Rogers.

45, Parliament-street, April 7, 1868.

Sir F. Rogers, Bart., &c., &c., &c.

Sir,—I have the honour to state, for the information of his Grace the Duke of Buckingham and Chandos, that consequent on an interview I had with yourself in reference to a supply of carbolic acid for use in the island of Mauritius, arrangements have been made for sending by the mail steamer of the Messageries Imperiales, leaving Marseilles on the 9th April, a supply of carbolic acid, addressed to His Excellency the Governor.

As only a limited quantity can be sent by this mail, owing to the shortness of the notice, the supply has been made up of pure carbolic acid for use inside houses and for medicinal purposes.

A further supply, and also a supply for external use, will be sent by the next mail.

I enclose a set of instructions for the guidance of those to whom its use is entrusted, and also the report of Dr. Gover, Resident Medical Officer at Milbank Prison, who was sent, at my suggestion, to Terling, in Essex, by the Secretary of State for the Home Department, to endeavour to check the fever raging there.

I also enclose reports connected with the use of carbolic acid (Calvert and Co.), which may be of interest and use to the Government of the Mauritius, and I trust that the use of this valuable and powerful disinfectant may be as successful in the Mauritius as it has been elsewhere.

I have, &c.,

E. Y. W. HENDERSON,
Surveyor-General of Prisons.

Instructions for arresting the spread of Fever by means of Carbolic Acid.

1. All discharges from a fever patient to be received into a vessel containing three or four table spoonfals of carbolic powder, or half a pint of the solution of crystalized carbolic acid.

The solution to be made by dissolving one pound of crystalized carbolic acid in five gallons of water.

2. The floors of all inhabited rooms to be cleansed daily with mops dipped into the above solution.

3. Tainted bedclothing or body linen to be placed immediately on its removal, in the solution diluted with four or five parts of water.

4. One pound of the crystals to be mixed with five or more pounds of wet sand, and shallow vessels containing either this mixture or the carbolic powder to be placed in each room, *and renewed daily*.

5. Cesspools and middens, or any other accumulations of excremental matters, or of house refuse, or of other offensive or decaying animal or vegetable matters, to be disinfected *daily* by means of a mixture of liquid carbolic acid and water.

The liquid mixture to be prepared by mixing the liquid carbolic acid with water in the proportion of one gallon of acid to twenty gallons of water. Care must be taken to shake it or stir it thoroughly to prevent the carbolic acid and water from separating.

6. When the matters to be disinfected have an offensive odour, the liquid mixture to be used till the smell has entirely ceased.

7. Unpaved earth around dwellings to be well moistened daily with the liquid mixture. Earth which has become offensive by soakage to be covered to the depth of two inches with the carbolic powder.

8. Foul ditches in the neighbourhood of houses, sewers, and drains to be frequently flushed with the liquid mixture.

9. Uncleanly premises to be washed and limewhited. Half a pint of liquid carbolic acid to be mixed with each bucketful of lime-wash.

10. The *solution of the crystals* to be used indoors only. The *liquid mixture, i.e.*, the mixture of liquid carbolic acid (quality No. 5) and water to be used chiefly for out-of-door purposes.

11. The bodies of the dead to be wrapped in sheets saturated with the liquid mixture or the solution of the crystals. A pound of the powder to be spread over the bottom of each coffin.

12. For internal administration proceed as follows:—Place a pound bottle of the pure medical solid carbolic acid (quality No. 1) in warm water. When the acid has become liquid mix it with four gallons of water; stir well and bottle off the solution, *which must be kept well corked*. A teaspoonful of this solution to be taken every four hours in a little weak brandy and water.

Paragraphs Nos. 1, 2, 3, 4, 5, 11 apply to the crystalized carbolic acid, of which a supply is sent by the mail steamer leaving Marseilles on the 9th April.

Paragraph No. 12 refers to pure medical solid carbolic acid (quality No. 1) for internal use, of which one box is sent by the same mail steamer.

The cheap liquid solution, for out-of-door use, will be sent by next mail.

Dr. Gover to Colonel Henderson.

~~Colonel Henderson.~~

Sir,—I have the honour to report that I visited Terling, as requested, on the 16th ultimo, and remained there during the week following.

My instructions were to assist in the endeavour to arrest the epidemic of intestinal or typhoid fever, prevailing in the village, by means of carbolic acid. I was desired to take with me a supply of carbolic acid for immediate use; to superintend its application in the first instance, and to give every information to the local authorities as to its use and management.

I now beg to state briefly the means to which I had recourse for carrying out these instructions, and the apparent effect of the use of carbolic acid in arresting the spread of the fever.

On Monday, February 17th, with the concurrence of the local authorities, I caused a strong solution of Calvert's carbolic acid to be distributed over the entire village. Large quantities of the solution were poured into the cesspools, and it was freely applied to the filthy yards, courts, and stagnant ditches, by which many of the houses were surrounded, as well as to the manure heaps, collections of refuse, and other nuisances with which the place abounded. The village may be said to have been soaked with the acid, and the atmosphere became highly charged with its vapour, which found its way in very considerable volumes into the dwellings of the sick and healthy alike. This process has been daily repeated up to the present time, and I have advised the local authorities to continue the use of carbolic acid during the ensuing spring and summer months.

Many of the inhabitants at first fancied that the smell of the said acid produced headache, and, for a few days the Inspector of Nuisances, who was employed in its distribution, was the most unpopular person in Terling.

This objection, however, has been overcome, and at my second visit on the 18th instant no complaints were made, although the presence of carbolic vapour in the atmosphere was to be detected at a considerable distance from the village.

The epidemic prevailing at Terling was the common intestinal or typhoid fever, a preventable disease, which kills annually no less than 20,000 of the population of this country.

This fever is as specifically distinct from typhus as is small-pox from the measles or scarlet fever from erysipelas; its cause are different, its symptoms are different, it runs a different course, and proceeds to a different termination.

Such being the case, it is unfortunate that it should continue to be designated by a term of which the meaning is "like typhus."

The essential diffrence between the two fevers may be shown as follows:—

Typhus Fever.

The conditions essential to the propagation of the typhus poison are overcrowding and exclusion of fresh air.

Characteristic symptoms are, a dusky, mulberry-coloured eruption, appearing from the fifth to the eighth day, and remaining persistent for about twelve days, the general hue of the skin being at the same time dusky and muddy. Sluggishness and confusion of the intellect, extreme bodily weakness, delirium passing into stupor, somnolence and profound prostration.

No characteristic appearance after death.

Intestinal or Typhoid Fever.

The conditions essential to the propagation of the poison of intestinal fever are the defective removal and putrifactive fermentation of excreta.

Characteristic symptoms are, an eruption of rose-coloured spots, appearing about the twelfth day, followed by successive crops of spots, each crop lasting about three days, fierce thirst, tenderness and tympanitic fullness of the abdomen, vivacity passing into delirious excitement. Pale yellow diarrhœal discharges, and hæmorrhage from the bowels.

Characteristic appearances after death are certain alterations in the glands of the intestines.

It has been repeatedly shown by Mr. Simon and other pathologists, that intestinal or typhoid fever is essentially a "filth disease," or a "disease of uncleanness."

Wherever fæcal matters are allowed to accumulate, a nidus is created for the nourishment and development, if not for the generation, of the specific virus which gives rise to this fever. It cannot, therefore, be wondered at that intestinal fever, which appears always to have been endemic at Terling, should, under the conditions which presented themselves towards the close of 1867, have burst forth into an epidemic of extraordinary violence.

These conditions, and the whole of the circumstances connected with the outbreak, are fully described in Dr. R. T. Thorne's Report, dated 25th January, 1868.

Happily the disease has now ceased to spread, and it is a question of interest and importance whether the disappearance of the fever is in any degree due to the extensive out-of-door use of carbolic acid.

Out of a population of 900 persons, about 300 have been attacked with intestinal fever since the 4th December, and of this number 41 have died.

With the exception of a lull of a few days in the third week of February, fresh cases continued to occur almost daily up to the end of last month, while only two persons have been attacked since the 1st instant.

The carbolic acid was first extensively used, as already stated, on the 17th February, and allowing ten days for the expiration of the period of incubation, or period of latency, there can be no question that the subsidence of the epidemic corresponds in point of time with the date at which the purifying influence of carbolic acid might antecedently have been expected to become manifest.

That incredible quantities of fæcal matters had accumulated in uncovered cesspools, open ditches, &c., and had soaked into the soil, admits of no doubt; and there can be as little doubt that the decomposition, or in the language of chemists, the putrefactive fermentation of these matters, was the essential cause of the fever.

The special and characteristic chemical property of carbolic acid is the peculiar power which it possesses of arresting putrefactive changes, and it therefore appears to me reasonable to conclude that the extensive use of carbolic acid and the simultaneous disappearance of the disease are facts which hold the relation of cause and effect.

It will not, I believe, be disputed that our knowledge of the causation of fever points to carbolic acid as being the most powerful agent which can be used for the destruction of that specific poison, which, being absorbed into the human organism, sets up the succession of phenomena known as typhoid fever, and it is to be regretted, therefore, that it was not brought into use at an earlier stage of the epidemic.

But, however powerful may have been the action of carbolic acid at Terling, its use as a disinfectant can only be looked upon as a temporary expedient for holding pestilence in check until the contemplated and much-needed sanitary improvements have been carried into effect.

I have, &c.,

R. M. GOVER.

Extract of a Dispatch from Governor Sir H. Barkly to the Duke of Buckingham, dated Mauritius, September 16, 1868.

"Referring to previous correspondence on the subject, I have the honour to transmit a Report from the Acting General Sanitary Inspector on the results of the experiments made with the carbolic acid sent to this Colony by your Grace's directions, both as the disinfectant and in a direct treatment of the epidemic.

Dr. Barrant, 14th Sept., 1868.

"2. In the former respect Dr. Barrant considers that it fully bears out the encomiums passed on it in England, and though he gives no particulars of the way in which he has applied it, and I believe, indeed, has postponed using it extensively and continuously until the hot weather returns, I happen to know that the trial made by him to disinfect the Stanley Cut was very successful.

"3. As a medicine, he declares that diluted draughts of the purer preparation acted almost like magic in checking the paroxysms of the fever; whilst Dr. Tessier, who seems to have confined his trials of it at Plaine Magnien to injecting this medicinal acid under the skin, gives in an enclosure to Dr. Barrant's Report a wonderful account of the efficaciousness of that system in no less than sixteen cases of intermittent type.

"4. There can be but little doubt that, when the success of these experiments becomes more generally known, the use of carbolic acid in all ways will become more extensive.

"5. I have suggested to the Mayor of Port Louis that it should be not only plentifully employed in the purifying of the drains preparatory to the return of the unhealthy season, but that it should be used regularly to water the streets."

General Board of Health Office, September 14, 1868.

Sir,—In obedience to instructions received, I have the honour to report, for the information of His Excellency the Governor, that I sent our circulars to the medical officers in charge of the dispensaries of the General Board, soliciting their co-operation in the trial of carbolic acid as a disinfectant, and also as a therapeutical agent in the treatment of intermittent fever.

The replies I received were not entirely satisfactory, as few seemed willing to try an agent which, by their admission, was quite new to them, and possessed of poisonous properties.

Dr. Tessier, at Plaine Magnien, was the only one who set to work with a zeal which deserves my best acknowledgments, and I beg to forward a paper, written at my request, detailing a series of experiments conducted entirely by him, which open a new line of treatment for intermittent fever, and which constitute quite an epoch in the medical history of this country, should further experiments confirm those which were made at Plaine Magnien.

In the town of Port Louis I tested the value of carbolic acid in more than twenty cases of intermittent fever, with congestion of the spleen as a prominent feature, but with no appreciable enlargement of the liver, as determined by percussion.

In all these cases the fever was truly paroxysmal, but with different types, the quotidian and tertian, however, being the most frequent.

One grain of pure medicinal acid in one ounce of water, with a little brandy or bitter infusion, three times a day, cured the fever,—*i.e.*, stopped the paroxysms; and, as far as I could discover, the relapses were not so frequent as

Digitized by Google

after the administration of quinine. In fact, in one case under my immediate observation, the fever which used to return every week has left the patient free for four months.

I make special mention of pure carbolic acid for medicinal purposes, as manufactured by McDougall; the acid furnished by most of the druggists here is mostly fit for disinfecting purposes, and in several cases produced untoward symptoms, which probably would not have resulted had the drug been in a state of purity.

It was chiefly in those cases when the fit was ushered in by excessive vomiting that I found that carbolic acid acted almost like magic; stopping at once the distressing symptom and shortening the duration of the fit in a remarkable manner.

Its value, therefore, as a therapeutical agent in the treatment of intermittent fever, whether due to a vegetable poison or to one of animal origin, seems to be an established fact, and its introduction into the general practice of this country cannot but prove of great benefit.

In fact, in the constitutional diseases in which animal or vegetable parasites play an important part, such as scabies, and even leprosy, I have found carbolic acid, internally and externally, remarkably efficacious.

Having thus enumerated the advantages of carbolic acid as a medicinal agent, I shall enter into some considerations with regard to its value as a disinfectant.

I may safely say that it fully bears out the high encomium passed upon it in England, by not only removing offensive smells, but arresting decomposition; truly antiseptic, it renders putrescent matter entirely innocuous, and by its volatile nature destroys in the atmosphere the impurities which that matter may generate in it. In other words, carbolic acid attacks vitality in decomposing substances, puts a stop to embryonic life, and prevents those myriads of infusoria and microscopic animals and plants from exerting their nefarious influences on the human beings that live close to them.

The views which I express here are borne out by numberless experiments, repeated on different occasions, and which it would be too long to describe here.

His Excellency will therefore appreciate the motive which led me, but without success, to recommend carbolic acid as the sole disinfectant agent for the three Inodore Companies, for it was not only to remove the offensive smell of the tubs, but also with the view of disemminating that volatile agent in the atmosphere of the town. By thus penetrating into the miserable haunts of the poorer classes, as well as in the dwellings of the rich, carbolic acid would purify the air charged with miasmata, and no doubt lead to the mitigation of fever during the ensuing hot season.

I have, &c.,

A. R. BARRAUT, M.D.,
Acting General Sanitary Inspector.

An extended Account of the Cases of Intermittent Fever (marked cured or relieved in the paper to which this is to be attached) treated by the hypodermic injection of Carbolic Acid. The Numbers and Names are identical with those mentioned on the List referred to, which was handed by me to the Acting General Sanitary Inspector, on the 29th August, 1868.

692. Edmond La Caze, Creole, æt. 31, came to the dispensary on the 10th June, having been attacked with intermittent fever for the first time on the 7th of that month. I gave him some blue pill and colocynth, and then quinine for seven days, when fever ceased; then quassia and iron for eight days. On July 1st fever returned quinine in the same doses was given until the 8th, without favourable result. On that day I injected under the skin, at 9·30 a.m., three quarters of a grain of carbolic acid (pure), mixed with twenty minims of water. On the 10th he appeared again at the dispensary, having had no fever since the injection, but he complained of headache. The injection was repeated, and on the 12th he reported himself to be free of fever. Twenty minims of tincture of iron in an ounce of infusion of quassia for four days. Since that time he has remained quite well.

938. Minassie, Madras, female, æt. 30, came to dispensary on the 23rd June, with intermittent fever, from which she had suffered three previous attacks. A powder of calomel and jalap was given, and this was followed by quinine until the 1st July, when turpentine and castor oil were administered as an anthelmintic. On the 3rd July she was ordered four grains of quinine every three hours, but on the 9th, fever continuing, I gave her a subcutaneous injection of two thirds of a grain of carbolic acid in twenty minims of water. On the 10th she said she had no fever; the injection was, nevertheless, repated on this and on the following day. On the 23rd she returned, complaining of cramps, &c. I was at that time ill, and she was given two grains of quinine every three hours for two days. Since this she has remained quite well.

1028. Arthur Dormumdee, Creole, male, æt. 21, had intermittent fever on the 4th June, and was cured in ten days with quinine. He appeared again at the dispensary on the 30th June, having suffered a relapse. An aperient of calomel and jalap was given, and this was followed by one twentieth of a grain of strychnine three times daily. On July 9th, he received the first injection of two thirds of a grain of carbolic acid in twenty minims of water, and on the 10th the second in hospital. No fever occurring, he was discharged on the 13th, taking iron and quassia for three days. On August 2nd, while I was on sick leave, he appeared once at the dispensary, and Dr. Cox gave him a bottle of Warburg's tincture.

1032. Fidelia Bangar, Creole, female, æt. 12 attended dispensary on July 1st, having relapsed from a former attack, which was cured with quinine on the 7th June. An aperient of calomel and jalap was given, and then one thirtieth of a grain of strychnine three times daily. No beneficial result arising, ten grains of quinine were given her at 9 a.m., on the 9th (the rigors usually occurring about 10 a.m.), and four grains every three hours afterwards. Fever appeared daily, but in a milder form; and on the 11th July an injection of two thirds of a grain of carbolic acid in twenty minims of water was administered, and this was repeated on the 12th, since which time she has had no fever.

1126. Agilda Radague, Creole, female, æt. 12. Feb. intermittent: has had previous attacks, attended the dispensary for the first time on July 8th; her statement being that on the 6th rigors recommenced at 1 p.m. Two fifths of a grain of carbolic acid was injected, and she reported that on the 9th she had had two very mild attacks, lasting half an hour each time, the first at noon, and the second at 3 p.m. On the 10th she failed to come to the dispensary, having fever at the time, and I sent her doses of one and a half grains of quinine to be taken every there hours. On the 11th she received the third injection, and afterwards iron and quassia. Has had no relapse.

1091. Adomar, Calcutta, male, æt. 10. Fever appeared at 3 p.m. on the 2nd July, and on the 4th he presented himself at the dispensary. An aperient of calomel and jalap was followed by quinine every three hours, until the 13th, when, fever still occurring at 3 o'clock daily, two fifths of a grain of carbolic acid in twelve minims of water was injected, and this was repeated on the 14th. On the 16th he reported himself well, and since then I have not heard of him, nor can I find him.

1127. Ludriere Constant, Creole, male, æt. 59, had fever for the first time on the 25th of May, of which he was cured with quinine on the 28th. On June 3rd, and until the 8th, fever reappeared, and was again banished by quinine. On the 22nd he suffered a second relapse, and strychnine was prescribed daily until the 8th July, on which he received a first injection of carbolic acid, two thirds of a grain in twenty minims of water, and this was repeated on the following day; no fever recurring until the 18th, when he said he had cramps, once mildly. He was given two minims of carbolic acid in an ounce of water four times a-day, and on the 25th I find a note in my register, "nothing but debility," for which quassia and iron were prescribed. On the 27th, while absent on sick leave, Dr. Cox gave him a subcutaneous injection of quinine, five grains; on the 29th, Warburg's tincture; and on the 1st August, five minims of Fowler's solution of arsenic three times daily. On the 5th of August, on my return to duty, I ordered him four grains of quinine three times a day, and on the 14th he was well, and has since continued so.

1132. Joseph Celeste, Creole, male, æt. 40. This man was cured on June 25th of his second attack of intermittent fever with quinine and iron. He suffered a relapse on the 9th July, and received an aperient of calomel and jalap, and an injection of two thirds of a grain of carbolic acid in twenty minims of water. He absented himself until the 12th, saying that he had had no fever until that morning. The injection was then repeated, and he was given some quassia and iron to take. On the 3rd August, he again reported himself ill, and five grains of quinine were ordered three times a day. Since then he has remained well.

1135. Epaulet La Marre, Creole, male, æt. 50, appeared at dispensary on the 9th July, saying that he had had fever and cramps at 10 o'clock on the morning of the 8th, and that he had suffered from it for one month, during which time he had taken quinine, without knowing how much. I gave him an aperient powder of calomel and jalap, and administered an injection of two thirds of a grain of carbolic acid in twenty minims of water; on the following day I repeated the injection while he was suffering acutely from rigors; on the 11th he received a third injection; and on the 13th reported himself well. I have not since heard of him.

1154. Ercile Favorit, Creole, female, æt. 60. Quotidian ague at noon. Injection of five sixths of a grain of carbolic acid in twenty-five minims of water; no fever next day, when a whole grain was injected. Since then I have not heard of her.

1169. Cheri Ellen, Creole, male, æt. 60, appeared at the dispensary on July 14th, complaining of intermittent fever with rigors, four daily at 11 a.m. He received an injection of one grain of carbolic acid in half a drachm of water, and from that time to this has had no fever; but he has been a patient for enlarged prostate and for itch.

1175. Noel Radagan, Creole, male, æt. 14. Intermittent fever for the first time on July 13th; appeared at dispensary on July 14th, and received a full injection of one grain of carbolic acid in half a drachm of water, since which time he has had no fever. On the 16th, quassia and iron was given to him for two days only.

1152. Poongamoo, Madras, male, æt. 26, attended dispensary for intermittent fever (form tertian) on July 11th, having then suffered from it for one week; an aperient of calomel and jalap, and an injection (hypodermic) of one grain of carbolic acid in half a drachm of water were administered. He had an attack at 4 p.m. on the 11th; the injection was repeated on the 12th; and on the 14th he had had no fever. Since then I have heard nothing of him.

Hospital Cases.

16. Jullien, Creole, male, æt. 50, was admitted into hospital on July 5th, having had intermittent fever for four days, rigors being very severe. An aperient of calomel and jalap, followed by castor oil, was given; and on the 6th, two thirds of a grain of carbolic acid in twenty minims of water was injected under the skin. On the 7th, he had fever mildly; injection was repeated. On the 8th, no fever; repeat

Digitized by Google

injection; quassia, ammonia, chloric æther were afterwards given, at times stimulants; but after the third injection he had no return of fever. On the 16th, he was discharged cured, and has not since been heard of.

17. Ramannah, Coringby, male, æt. 24, admitted into hospital July 6th, suffering from intermittent fever, the rigors occurring at 10 p.m.; aperient powder of calomel and jalap was given, and at 7·30 a.m. on the 7th, two thirds of a grain of carbolic acid in twenty minims of water was injected; repeated at 5 p.m., and again at 7 30 a.m. on the 8th; after this he took quassia and iron. Rigors had commenced, and were present when I gave him the first injection; no fever occurred after the second. During my illness Dr. Cox prescribed one twenty-fourth of a grain of arsenic three times a day, and gave him one dose of quinine; but there is no mention made of any second attack of fever in the Hospital Register. I have not since heard of him.

22. Gorilla, Coringby, male, æt. 26 admitted into hospital 10th July, says he had fever for one month, during which time he took Malabar medicines. He received one grain of carbolic acid, by hypodermic injection, on the 10th, 11th, and 12th. On the 15th he was discharged cured, and has not since been heard of.

Notes.

Many other cases would have been treated by this method, and would have been reported upon by me, but that during the latter part of July and the early part of August I was too ill to give that attention which a new line of treatment demands, and in the majority of cases that presented themselves, I gave the usual remedy, quinine. There was, too, at this time, a break in my hospital and dispensary practice, Dr. Cox, of Mahébourg, doing my duties for one week. New cases in my immediate neighbourhood are now not very numerous, and I cannot attend those at any considerable distance on three consecutive days. Nevertheless, I am convinced that this mode of treatment deserves fair trial, and I shall be glad to learn that it will receive this in other hands than mine. I admit many failures, but I think the actual "cures" and reliefs outnumber the failures, and that these themselves might, with proper attention to the administration of the remedy in increased strength, or at different periods, have been converted also into "cures."

I may perhaps be allowed to remark that I use the word "cure" in this paper when applied to cases which have relapsed in a few or more days, simply as the shortest method of conveying the meaning that for that period the disease has ceased to be present. As far as I can do so, I am continuing this treatment, and at a future date will furnish a further report: indeed, unless this had been called for by the General Sanitary Inspector, it was not my intention to have presented any statistics or remarks until my observations had been completed.

Among dispensary patients treated by the subcutaneous injection of carbolic acid, no notes appear as to any examination of the liver and spleen. In Hospital Cases, No. 16, Julien, had both the viscera slightly enlarged.

I do not conceive that there can be any doubt as to whether I have or have not dealt in the way above described, with intermittent or paludal fever, or ague. I admit that I cannot assert that any case is certainly due to marsh miasmata, and to nothing else, though not the least doubt seems now to exist that intermittent fevers are due to this cause principally, if not entirely.

Then, again, as to knowing absolutely whether the patients suffered from intermittent fever or were malingering, it is obvious that dispensary patients, as a rule, attend during an intermission, and not during a paroxysm, and it is certain that, of all febrile disease, the existence of this would be one of the most difficult to assert without ocular and tangible evidence. But it so happens that Nos. 692, 938, 1032, 1126, 1127, 1135, and 1175, were actually seen by me in one or other stage of fever; the cases in the hospital were, of course, seen by me twice or more daily.

The strength of the injection I used is as under:—

R. Acidi carboli pur: grano vel minim lxiv.
Aqua ʒiv.

and from mxii to mxxx have been used.

of the Cape of Good Hope.

Between HONORIE LEAR, of Alice, in the Division of Victoria East, Plaintiff, and CHARLES LEAR, Defendant.

PLAINTIFF'S INTENDIT.

WHEREAS the Plaintiff made application to this Honourable Court on the 29th day of September, 1868, for leave to summon the Defendant, CHARLES LEAR, her Husband, now or lately a Private Soldier in Her Majesty's Regiment called the "2nd Queen's," but now supposed to be in the territory of the Orange Free State, or elsewhere beyond the jurisdiction of the Courts of this Colony, by process of Edictal Citation, to appear, either in person or by proxy, to show cause why an order or decree of this Honourable Court should not be granted for the restitution of the conjugal rights of the said HONORIE LEAR, by reason of the said CHARLES LEAR having, in or about the month of March, 1860, maliciously deserted her, the said HONORIE LEAR:

And whereas the said Court did summon the said Defendant to appear, either in person or by proxy, before the said Court on the 16th day of November, 1868, to show wherefore he should not be ordered and decreed to return to the said Plaintiff, with her to live and cohabit as man and wife, or otherwise wherefore the said Court should not grant such further or other relief in the premises as might seem expedient, with costs, and further to proceed according to law; and the Defendant not appearing to the said Summons, the said Plaintiff, by her Advocate, requested the first default, with the proof thereof, and a second Summons:

And whereas the said Court granted the first default, with the profit thereof, and did summon the said Defendant for the second time by Public Edict to appear, either in person or by proxy, before the said Court on the 14th day of December, 1868, to show wherefore such order and decree as aforesaid should not be made, or otherwise such relief granted as aforesaid, without the said Defendant, or any person on his behalf having appeared, in consequence whereof the said Plaintiff, by her Advocate, requested the second default, with the profit thereof, and a third Summons:

And whereas the said Court granted the second default, with the profit thereof, and did summon the said Defendant to appear, either in person or by proxy, before the said Court on the 12th day of January, 1869, to show wherefore such order and decree as aforesaid should not be made, or otherwise such relief granted as aforesaid, without the Defendant, or anyone on his behalf having appeared, in consequence whereof the Plaintiff, by her, Advocate requested the third default, with the profit thereof, and prayed the said Court to grant her leave to issue her intendit and notice of trial of the aforesaid cause.

And whereas the said Court granted the third default, with the profit thereof, and leave to issue and publish her intendit and notice of trial as prayed.

Now therefore, by reason of the premises, the Plaintiff, by JONATHAN AYLIFF, her Attorney, comes into Court, and says that on or about the 29th day of June, 1858, and at Templemore, in the County of Tipperary, Ireland, she and the Defendant were lawfully married, which marriage still subsists; and that afterwards, to wit, in or about the month of March, 1860, and at East London, in the Division of East London, the Defendant, without any reasonable or lawful cause, maliciously deserted from her, and refused and still refuses to return to her, wherefore she prays that the Defendant may be adjudged and condemned by this Honourable Court to return to her, to live and cohabit with her as her lawful husband, and to restore to her her conjugal rights, and to pay to her the costs of this suit, or that she may have such further or other relief in the premises as to this Honourable may seem expedient.

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

PROCLAMATION

BY HIS EXCELLENCY SIR PHILIP EDMOND WODEHOUSE,

Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of Her Majesty's Colony of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Vice-Admiral of the same, and Her Majesty's High Commissioner, &c., &c., &c.

WHEREAS, in consequence of certain errors which have occurred in the Proclamation (No. 11, 1869) published in the *Gazette* of this day, No. 4086, declaring the lists of Candidates for Seats in the Legislative Council for the Western Districts and Eastern Districts, respectively, and appointing scrutineers, it is expedient that the said Proclamation be repealed, and that correct lists of Candidates for the said Western and Eastern Districts, respectively, be published as by law provided: Now, therefore, I do hereby repeal, cancel, and make void my said Proclamation published in the *Gazette* of this day, No. 4086; and I do hereby proclaim, declare, and make known that my certain other Proclamation, No. 13, 1869, dated this day, shall stand in place and stead of the Proclamation so as aforesaid repealed, cancelled, and made void.

GOD SAVE THE QUEEN!

Given under the Public Seal of the Settlement of the Cape of Good Hope, this 22nd day of January, 1869.

P. E. WODEHOUSE, Governor.

By command of His Excellency the Governor,

TENDERS FOR THE CONVEYANCE OF MAILS.

General Post Office, Cape Town,
2nd January, 1869.

NOTICE is hereby given that Sealed Tenders addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 9th February, 1869, at 12 noon, for the conveyance of the following Mails:—

Between Meirings Poort and Prince Albert, in 8 hours, by cart, once a week each way.

The Contract is to commence from the 18th March, 1869, and to end on the 31st December, 1872; but either of the contracting parties will be at liberty to terminate the same upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office,* duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems.* The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers *or Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded; *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d
For every period not exceeding half an hour	0	2	6
" half an hour, and not exceeding one hour	0	7	6
" one hour, and not exceeding an hour and a half	0	15	0
" one hour and a half, and not exceeding two hours	1	5	0
two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

CAPE OF GOOD HOPE
Gaslight Company.

Annual Report of the Directors to the Shareholders on the 30th January, 1869.

WHEN the Directors submitted their last Annual Report to the Shareholders, they were careful not to raise too high their hopes of a speedy or great improvement. They felt that they had a year before them which would test their energies to bring it to a satisfactory conclusion; and they have now the pleasure of congratulating the Proprietors on what they believe will be regarded as a satisfactory result.

It will be found on examining this year's statement of income that it will bear a favourable comparison with that submitted last year, and that if we except the item of Gas, the sale of which was so much increased in 1867, when the Illuminations for H.R.H. the Duke of Edinburgh were provided, there is an improvement in every item of revenue, as will be seen from the annexed Statement.

On the other side of the account it will likewise be found that the comparison between 1867 and 1868 is also a favourable one, and the result of the last year is, that notwithstanding the large sale of Gas in the previous year, the Capital Stock of the Company stands increased by £2,511 7s. 2d. on the 31st December last, against £2,464 19s. 3d. on the same day in the former year,—which encourages the Directors to hope that the year just entered upon will, with a probably increased consumption, with the direct import of our Coals, and with other prospective advantages, enable them steadily to improve the position of the Institution.

Another application in the past year from the Town Council for a Tender to supply the Town with Gas, and to which your Directors responded, ended in the Council declining to light the Streets; and as there seems to be no probabilty of a Contract being speedily entered into with the Town Council, the Directors have it in contemplation to disconnect the Service Pipes from the Lamp Posts, thereby preventing a large loss in leakage, to which the Company has hitherto been subjected.

To this Report will be found appended the usual Cash Statements; and the Directors now remind the Shareholders that they will have to fill up the vacancies caused by the retirement of Messrs. A. B. DE VILLIERS, G. VAN R. MULLER, and F. G. WATERMEYER as Directors, and of Messrs. RAWSTORNE and LE SUEUR as Auditors, who are, however, all eligible for re-election.

With the surplus of the year, amounting to £2,511 7s. 2d., your Directors recommend the Shareholders to deal as follows, viz., having made the usual allowance to the Directors of £100, to declare a Dividend of £2 7s. 6d. per Share, being equal to 6½ per Cent. upon the Paid-up and Accumulated Capital, which will require a sum of £1 900, carrying the balance of £611 7s. 2d. to the credit of Capital Stock.

The Dividend to be payable, as usual, on and after the 15th proximo.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the Kingdom.

Immediate Annuities payable during the whole Life may be purchased on the following Scale

Annuities granted at the undermentioned Ages for every £100 of Purchase Money.

REPORT.

In submitting to the Shareholders this Thirtieth Annual Report of the Affairs of the South African Bank, the Directors feel gratified in congratulating them on the result of the past year's transactions.

The Receipts, although slightly less than for 1867, which is readily accounted for by the extreme dullness in the Trading Business of the Colony, and the consequent less demand for Discounts, have nevertheless left a Net Profit of £5,650 4 6

to which, adding the Balance of Profit brought over from the preceding year 436 16 10

will give 6,087 1 4

available for Dividends and other purposes.

From this the Directors declare a Dividend at the rate of seven per cent. on the paid-up Capital, or £2 2s. per Share, equal to £4,200 0 0

There will remain to the Credit of Profit and Loss a sum of 1,887 1 4

to meet contingencies.

The Directors have, in accordance with a requisition signed by 63 Shareholders, representing 1,118 Shares, purchased 101 Shares at a price of £30 each, with a view to the re-issue thereof when there may be a prospect of a Profit, or to their being cancelled, as may be decided by the Shareholders at this Meeting or hereafter, and in the meantime the Dividends awarded upon such purchased Shares will remain as a separate fund for subsequent disposal. This measure the Directors believe will be found beneficial to the remaining Shareholders generally, and was certainly an advantageous appropriation of funds which they had no other means of employing.

Under the provision of the 19th Section of the Trust Deed the following Directors vacate their seats, but are eligible for re-election :—

J. P. H. VAN DER POEL
W. SMITH
A. B. DE VILLIERS
G. v. R. MULLER
J. A. BAM
W. L. BLORE.

The usual Statements and Returns are submitted for the information of the Shareholders.

RNEMENTS BERIGT No. 4, 1869.

Koloniale Secretarie, Kaap de Goede Hoop,
7 Januarij, 1869.

E Excellentie de Gouverneur heeft de publicatie gelast van de volgende schriften ten dienste van Veldkornets en andere Beambten belast pnemen der Stemmen bij de naderende Verkiezingen voor Leden Wetgevenden Raad:

der Beambte van Stemopneming zal de stipste onpartijdigheid in acht en te nemen in de vervulling zijner pligten, en door niets in zijne houding, reden geven, waarvoor het tegendeel vermoed of hem gelegd kan worden.

der Beambte van Stemopneming zal voorzien worden van eene kopie eene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaatsen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in één deeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en nd te hebben op die eene Stemplaats, kan hij niet weder op eene andere mmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Finkelmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de emgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen werkelijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnememden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 42ste Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen.

6. Aan iedereen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, za de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Geteekend op verzoek van
JAMES THOMSON,
JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het invullen van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8. Elk Stemgeregtigde in de Westelijke Distrikten zal **elf** stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal **tien** stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan éénen Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in persoon; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om naar verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gelogen dat een Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De eambten van Stemopneming zullen derhalve weigeren den naam van iederen nderen Kandidaat te ontvangen.

15. De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeloopen is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Kolonialen Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Votes for the Division of ————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wien zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefjes dat hetzelve bevat.

19. *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Kolonialen Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,
R. SOUTHEY,
Koloniale Secretaris.

Port Elizabeth, 22 Januarij, 1869.

KAAP DE GOEDE HOOP GASMAATSCHAPPIJ.

Jaarlijksch Rapport van de Direkteuren aan de Aandeelhouders op den 30sten Januarij, 1869.

TOEN de Direkteuren hun laatste Jaarlijksch Rapport aan de Deelhebbers voorlegden, droegen zij zorg hunne hoop op eene spoedige of groote verbetering niet te hoog te stellen. Zij gevoelden, een jaar voor zich te hebben, dat hunne energie om het tot een bevredigend einde te brengen op de proef stellen zou, en zij hebben nu het genoegen de Eigenaars geluk te wenschen met wat zij gelooven als eene bevredigende uitkomst te zullen worden beschouwd.

Bij het nazien van den Staat der inkomsten van dit jaar zal men zien, dat die eene gunstige vergelijking kan doorstaan met dien van het jaar te voren, en dat indien wij den post Gas uitzonderen, de verkoop waarvan in 1867 zoo zeer was toegenoemen, bij gelegenheid der leverantie voor de Illuminatie voor Z.K.H. den Hertog van Edenburg, er eene verbetering is in iederen post van Inkomsten, gelijk uit den bijgevoegden Staat blijken zal.

Aan de andere zijde der rekening zal men eveneens bevinden, dat de vergelijking tusschen 1867 en 1868 mede voordeelig is, en de uitkomst van het laatst verloopen jaar is, dat, niettegenstaande den grooten verkoop van Gas in het jaar te voren, het Fondskapitaal der Maatschappij is toegenomen met £2,511 7s. 2d. op den 31sten December ll., tegen £2,464 19s. 3d. op denzelfden dag in het vorige jaar,—hetwelk de Direkteuren aanmoedigt te hopen, dat het pas ingetreden jaar met een waarschijnlijk vermeerderd verbruik, met den direkten invoer onzer steenkolen en met andere voordeelen in 't vooruitzigt, hen in staat zal stellen de positie dezer Inrigting gestadig te verbeteren.

Een nieuw aanzoek door den Stedelijken Raad in het afgeloopen jaar gedaan om een tender voor het leveren van Gas aan de Stad, en waaraan uwe direkteuren hebben beantwoord, is uitgeloopen op eene weigering van den Raad om de straten te verlichten, en vermits er geene waarschijnlijkheid bestaat, dat er spoedig met den Stedelijken Raad een kontrakt zal worden aangegaan, hebben de direkteuren het in overweging, de dienstpijpen los te maken van de Lantarenpalen, ter voorkoming van een groot verlies door lekkage, hetwelk de maatschappij tot heden te lijden had.

Aan dit Rapport zijn toegevoegd de gebruikelijke Kasopgaven; en de Direkteuren herinneren nu den Aandeelhouders, dat zij de vakaturen hebben aan te vullen veroorzaakt door het aftreden van de Heeren A. B. DE VILLIERS, G. VAN R. MULLER en F. G. WATERMEYER als Direkteuren, en van de Heeren RAWSTORNE en LE SUEUR als Auditeuren, die allen echter bevoegd zijn voor herkiezing.

Met het overschot van verleden jaar bevelen uwe Direkteuren aan, te handelen als volgt, nl.: na de gewone toelage van £100 aan de Direkteuren te hebben toegewezen, een Dividend vast te stellen van £2 7s. 6d. per aandeel, zijnde gelijk aan 6½ per cent op het Gestorte en Opgeloopen Kapitaal waarvoor eene som van £1,900 zal noodig zijn, en het Saldo van £611 7s. 2d. te plaatsen op het kredit van het Fonds kapitaal.

Het dividend te worden uitbetaald op en na den 15den aanst.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of th following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place, and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

Digitized by Google

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such poling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling-place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

REPORT of the Directors of the Graaff-Reinet Bank, submitted to the Shareholders at the Annual General Meeting, held on the 20th January, 1869.

THE Directors have to lay before the Shareholders, the Statement of Assets and Liabilities of the Bank, and of the Profit and Loss during the past year.

It will be seen that the gross Discounts made during the year amounted to £4,359 14 4
and the whole charges and outlay to 2,207 8 0

leaving as Net Profit £2,152 6 4

This is less than what was made during the former year, but that is to be attributed to a general decrease in business here, as elsewhere, and to the Directors having found it necessary early in the past year to reduce the rate of Discount to 6 per cent. per annum for customers, whilst at the same time, the Bank had still to pay interest at the same rate of 6 per cent. on Fixed Deposits to a large amount, which could not be got rid of at an early period of the year.

The Overdue Bills and Bad and Doubtful Debts stand, as in the account, at £1,757 16 10
Of this amount there are Bills, lately fallen due, of parties who have just become insolvent (but on which Bills your Directors believe that no loss at all will be sustained) amounting to 722 16 6

leaving those overdue Bad and Doubtful Debts at £1,035 0 4
which amount consists of claims in Insolvent Estates, some whereof are not yet fully liquidated, and from which further dividends must come.

Had the amount of Discounts made during the year equalled those of the previous year, your Directors would have recommended that this sum should have been written off, and any further amounts received thereon afterwards carried to credit of Profit and Loss Account; but your Directors now propose that of the Net Profits of £2,152 6s. 4d., a dividend of 8 per cent. on the paid-up capital, or £1 per share, be paid to the Shareholders, being £1,600, and that the balance of £552 6s. 4d. be written off of the abovementioned Bad and Doubtful Debts, which will then leave that Account at £482 14s., of which sum, as before stated, some portion will be still received.

The Overdrawn Accounts, which on the 31st December last stood at £316 19s. 1d., were almost all settled immediately thereafter, and a very small item remains of that, which will also be paid.

The Meeting will have to elect two Directors in the room of Messrs. J. F. ZIERVOGEL and C. H. GRISBROOK, and two Trustees in the room of Messrs. J. C. NAUDE and J. BAUMANN, who all retire by rotation, but are eligible for re-election.

Graaff-Reinet Bank, Jan. 20, 1869. J. F. ZIERVOGEL, Chairman.

Resolved that the Report be adopted.

Messrs. J. F. ZIERVOGEL and C. H. GRISBROOK were re-elected as Directors, and Messrs. J. C. NAUDE and J. BAUMANN as Trustees.

A vote of thanks was accorded to the Directors, Trustees, and officers of the Bank for their past services

J. F. ZIERVOGEL, Chairman.

GOUVERNEMENTS BERIGT No. 4, 1869.

Koloniale Secretarie, Kaap de Goede Hoop,
7 Januarij, 1869.

ZIJNE Excellentie de Gouverneur heeft de publicatie gelast van de volgende voorschriften ten dienste van Veldkornets en andere Beambten belast met het Opnemen der Stemmen bij de naderende Verkiezingen voor Leden van den Wetgevenden Raad:

1. Ieder Beambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne woorden of houding, reden geven, waardoor het tegendeel vermoed of hem ten laste gelegd kan worden.

2. Ieder Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3. Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in éène Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnememden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 41ste Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen.

6. Aan iederen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Geteekend op verzoek van
JAMES THOMSON,
JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het invullen van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8. Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan éénen Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in persoon; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om naar verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gedogen dat een Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iederen anderen Kandidaat te ontvangen.

15 De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeloopen is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Kolonialen Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Votes for the Division of ——————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wien zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefjes dat hetzelve bevat.

19. *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Kolonialen Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,
R. SOUTHEY,
Koloniale Secretaris.

RAPPORT.

BIJ het indienen van dit Dertigste Jaarlijksche Rapport over de Aangelegenheden der Zuid Afrikaansche Bank, is het den Direkteuren aangenaam den Aandeelhouders te kunnen geluk wenschen met den uitslag der transaktien van het afgeloopen jaar.

De Ontvangsten ofschoon een weinig minder dan die voor 1867, hetwelk gereedelijk te verklaren is uit de buitengewone slapte in de Handelszaken der Kolonie en eene gevolgelijk mindere vraag naar Discontos, hebben niettemin eene Netto Winst opgeleverd van £5,650 4 6

waarbij gevoegd het Saldo der Winst overgebragt van het vorige jaar, groot 436 16 10

uitmaakt 6087 1 4

beschikbaar voor Dividenden en andere doeleinden.

Hiervan deklareren de Direkteuren een Dividend naar den koers van zeven per cent op het gestorte Kapitaal, of £2 2s. per aandeel, gelijk aan £4,200 0 0

Er blijft op het Kredit van Winst en Verlies eene som van 1887 1 4

om in voorkomende gevallen te voorzien.

De Direkteuren hebben, ingevolge eene Rekwisitie, geteekend door 63 Aandeelhouders, vertegenwoordigende 1118 Aandeelen, 101 Aandeelen gekocht naar den prijs van £30 per stuk met oogmerk die weder uit te geven, als er uitzigt mogt zijn op eenige winst, of om ze te vernietigen, naar bepaald zal worden door de Aandeelhouders op deze Vergadering of later, en inmiddels zullen de Dividenden, op die gekochte Aandeelen toegewezen, een afzonderlijk fonds blijven uitmaken voor latere beschikking. Deze maatregel geloven de Direkteuren voordeelig te zullen zijn voor de andere Aandeelhouders in het algemeen, en was voorzeker eene voordeelige aanwending van fondsen, voor welker gebruik zij geene andere middelen hadden.

Volgens de bepalingen van Artikel 19 der Bankakte treden de volgende Direkteuren af, maar zijn weder verkiesbaar:—

J. P. H. VAN DER POEL,
W. SMITH,
A. B. DE VILLIERS,
G. VAN R. MULLER,
J. A. BAM,
W. L. BLORE.

De gebruikelijke Staten en Opgaven worden ter inlichting aan de Deelhebbers voorgelegd.

G. VAN R. MULLER, Waarn. Voorzitter.
